TECHNICAL DATA

properties	test method	prescribed values	value
water absorption	ISO 10545-3	Ev≤0.5%	0.5%
bending strength	ISO 10545-4	≥35N/mm2	35
breaking strength	ISO 10545-4	≥1300	1402
abrasion resistance	ISO 10545-7	pass	4
resistance to chemicals	ISO 10545-13	Minimum B	В
resistance to staining	ISO 10545-14	Minimum class 3	class 4

An Environmental Product Declaration (EPD) is a globally recognised certification that outlines the environmental impact of a product across its entire life cycle. It supports sustainable decision-making and green procurement by assessing factors such as material sourcing, emissions, installation, use, and end-of-life disposal.

ISO 14001:2015 specifies the requirements for an environmental management system that an organization can use to enhance its environmental performance. ISO 14001:2015 is intended for use by an organization seeking to manage its environmental responsibilities in a systematic manner that contributes to the environmental pillar of sustainability.

Variation is an inherent property of tiles and stone. Sizes are nominal and may include a joint.
