ORIGIN: Italy

VARIATION:

V4

Imported from Italy, STONETHICA is our natural stone series made from eco-sustainable recycled marble. Non-toxic and bicomponent resin is used to combine and overlap layers of natural stone to create a smooth and polished finish. STONETHICA is ideal for walls and floors and can be used to create furniture such as tables and vanities.

Stonethica

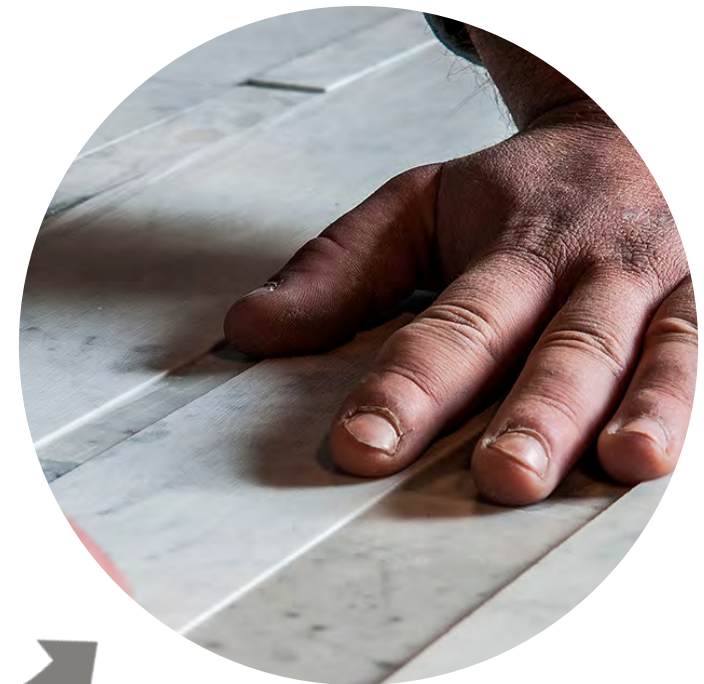

STONETHICA is compliant with LEED® (Leadership in Energy and Environmental Design), and BREEAM® (Building Research Establishment Environmental Assessment Method) standards for assessing the environmental performance of buildings.
